

Loveholic, Mirage

The secrets in my dreams tell me
About the sorrows that Ill come across
I must yearn for mercy
Your pained appearance and my greeting
A gaze that was shut as if tired
I dont wish for anything more than these
The sickened promise is stinking and hidden; I never knew
A dream that I cant recover
My memories grew dim
My pains became dull and my heart cracked
My burnt out soul is simply a cooled mountain of ash
My tears are filled with pain, ha
So tell me tell me the reason why
How can you do this to me
You break my heart
And you make me cry
In the expressionless, final moonlight
Covered in muddied excuses
The warmth that embraced you
Vanished without a trace; Youll never know
Within the endless pain
Theres the belated regret that was left behind
And the flowers of love that disappear meaninglessly
So tell me tell me the reason why
How can you do this to me
You break my heart
And you make me cry
