

Loveholic, Sad Story

It's a sad story
yunanhido balgun hessal gadughan
ichi mothal haru
nul kumkwo odon arumdaun nare
baraji anhadon nunmuri chajawa
Gude ibgae momun shirin maltuga
modun bichul dada
suchin barammajodo sumjugyo uro
cause you're breakin' my heart
How should I know rain comes again
tell me why you're leaving me again
please don't go stay here however (now and forever)
come back to me
It's a sad story.
nul kumman gathdon arumdaun nare
nunmuri chajawa
Mojin ibyore jichyo sumjugyo uro
cause you're breakin' my heart
I cannot breathe
I won't be healed
I want to see what I was
I must be blind
I want to get back to that light
