

# Lovejoy, Taunt

She's always asking, "Am I alright?"  
As if auspicious or in my pint  
I'll find the answer or a good night  
Thank God the time is short  
And, yes, you always do that one thing  
When you wrinkle up the nose bridge  
I'm tryna figure out what that meant  
I took it as a taunt  
Remember way back then in school?  
Oh, did anybody ever say no to you? Whoa  
Did anybody ever say no to you? Whoa  
And I don't think I have a clue  
'Cause, well, did anybody ever say no to you? Whoa  
Did anybody ever say no to you? Whoa  
You're always tryna leave the table  
Phone calls, toilet breaks, unstable  
And don't you think that we can all tell?  
You're insecure, you're insecure  
I guess I always do that one thing  
When I get too drunk and jump in  
To figure out what makes your brain tick  
I'm a listener, I'm a listener  
Remember way back then in school?  
'Cause well, did anybody ever say no to you? Whoa  
Did anybody ever say no to you? Whoa  
But I don't think I have a clue  
'Cause, well, does anybody ever say no to you? Whoa  
Does anybody ever say no to you? Whoa  
Woo  
And I don't think so  
'Cause I don't think so  
Forget the number for the cab call  
As you're dashing out the front door  
You claim to try to dodge the catcalls  
Thank God the time is short  
And, yes, you always do that one thing  
'Cause when you throw and drench me under your drink  
I'm tryna figure out what that means  
I took it as a taunt
