

Loverboy, Jump

Was it you that didn't need me like this sneakin' around with the lights down low.
It feels so good I hope it doesn't fade away.
But if they catch us here together this way you know we better think quick.
'Cause you bet your last buck they'll be first to get the last lick.

When I say "jump", you better jump (jump, jump).
When I say "walk", you better get ready to say "goodbye" (goodbye, goodbye).

Now you can't always get what you want when you want it, so you settle for second best.
You need it so bad, don't matter what price you pay.
When you're living on the line taking chances like this one slip could do the trick.
'Cause you bet your last buck they'll be first to get the last lick.

When I say "jump", you better jump (jump, jump).
When I say "walk", you better get ready to say "goodbye" (goodbye, goodbye).

And when I look at you now, some how it don't seem right.
But it feels so good tonight.

When I say "jump", you better jump (jump, jump).
When I say "walk", well you better get ready to say "goodbye".
Jump... when I say "jump".
When I say "walk", you better get ready to say "goodbye" (goodbye, goodbye).
