

# Loverboy, One-Sided Love Affair

Yeah! Yeah!

I just don't know what to do  
Everybody's heard about me and you  
Because the talk's out on the street  
And the word is that you don't come cheap  
I thought it was a rumour  
It turned out that I was wrong  
You're such an inspiration  
Another night, another song

Chorus:

Anyone can see that you don't care  
It's a one-sided love affair  
Anyone can see that it's not right  
What you're doing to me every night, No!

I just don't know what to say  
Cause nothin' ever made me feel this way  
I gotta tell you now what's my mind  
I've been hurtin' for a long, long time  
Tell me it's not true  
Tell me it's a lie  
Tell me everything I want to hear  
Cause this time it's do or die

Chorus:

Anyone can see that you don't care  
It's a one-sided love affair  
Anyone can see that it's not right  
What you're doing to me every night, Yeah!

Solo -

Chorus:

Anyone can see that you don't care  
It's a one-sided love affair  
Anyone can see that it's not right  
What you're doing to me every night

Chorus:

Anyone can see that you don't care  
It's a one-sided love affair  
Anyone can see that it's not right  
What you're doing to me every night, No!
