

Lovex, Don't let me fall

I feel a shiver in my spine
I'm too scared to look behind
Questions fill my mind
I'm hanging on the edge
Don't let me fall
I've never felt so lost
I just need more time
And don't let me fall
Don't give up on me
(Don't let me fall!)

Too many answers I can't find
Questions fill my head
I'm hanging on the edge
