

Low, The Lamb

you go west
where they won't find you
with your mother's breast
and the poison arrows
'cuz you see black
and i see shadows
i am the lamb
and i'm a dead man
they'll take my name
and feed my children
with my remains
in the holy temple
'cuz i am the lamb
and i'm a dead man
i am the lamb
and i'm a dead man
