

# Loyiso, The Real Me (Khumba movie soundtrack)

This is real me  
This is real me  
This is real me  
This is real me

Long long time ago  
So far away (so far away)  
Boy had left his home  
And found this way  
Time and timber again  
He heard inside

Change the one you are  
And run far away

Can feel you now?  
Don?t even try  
Don?t go back now  
This is not crime

?  
Take me  
Love me, don?t leave me  
This is the Real Me
