

# LP, Girls Go Wild

I've been caged  
I've been hounded  
I've been hunted and tamed

I'm the outlaw of outside  
and ready to rage  
I'm in search of heart  
I can eat to renew me  
and I'm dazzled by all of the things that undo me

GIRLS GO WILD  
on the west coast  
come baby let's go  
that's what she said  
sunshine brighter than blind love  
it' all in the name of the wild, wild west

take my love  
take my soul  
you just take what you can  
when we're fucking now  
it feels like you don't understand

tell you what it don't suck  
and I need you right now  
you're the one that I want  
so I won't make a sound

GIRLS GO WILD  
on the west coast  
come baby let's go  
that's what she said  
sunshine brighter than blind love  
it' all in the name of the wild, wild west

I really love ya, ya know  
I really do  
whatever happens I hope you're happy too  
I really love ya  
so what you wanna do?

GIRLS GO WILD  
on the west coast  
come baby let's go  
that's what she said  
sunshine brighter than blind love  
it' all in the name of the wild, wild west
