

LP, Suspicion

Cut right to the chase and
Clear to me
You seem so heaven sent but
Somehow I still invert the fear in me

A lie is just a lie
A cry is still a cry
The past becomes the crime
In my mind

Suspicion /2x
How you've changed my heart
Suspicion /2x
Unchain my heart

Cripple cruel emotion
Enough to make an ocean turn to green
The silliest of notions
Why Romeo took potion
Basically

To be or not to be
To cheat or not to cheat
Believe or not believe
That you're mine

Suspicion /2x
How you've changed my heart
Suspicion /2x
Unchain my heart

Anywhere you go
All roads still head to
It's harder than you know
To be led back to

Suspicion /2x
How you've changed my heart
Suspicion /2x
Unchain my heart
