

Luba, 'lay Down Your Love'

we have been stuck
inside the same space
yet all that we share
is this cold war
and there has got to be
a better way
to see
to see eye to eye
when we're not face to face
trade our hostility
in for humanity
and maybe
maybe we can say
lay down
lay down
lay down your arms
lay down
lay down
lay down your love
repeat all
oh, I can tell
by the look in your eyes
you'll be the one
who will sympathize
repeat chorus
