

Lubjan, Just An Illusion

Searching for a destiny that's mine
There's another place, another time
Touching many hearts along the way
Hoping that I'll never have to say

It's just an illusion
illusion
illusion

Follow your emotions anywhere
Is it really magic in the air
Never let your feelings get you down
Open up your eyes and look around

It's just an illusion
illusion
illusion

(Could it be that) it's just an illusion
(Putting me back) in all this confusion
(Could it be that) it's just an illusion
(Ah...)
(Could it be that) it's just an illusion
(Putting me back) in all this confusion
(Could it be that) it's just an illusion
(Ah...)

Could it be a picture in my mind
Never sure exactly what I'll find
Only in my dreams I turn you on
Here for just a moment, then you're gone

It's just an illusion
illusion
illusion

(Could it be that) it's just an illusion
(Putting me back) in all this confusion
(Could it be that) it's just an illusion
(Ah...)
