

# Luca Turilli, Lost Horizons

Heavenly entities  
Enlight me and my dreams  
To bring back memories  
Innocence, energy

Intersection, revelation  
One lost brain for a new heart  
A new heart

ANOTHER LIFE  
BACK TO THAT TIME  
AGE OF NO LIES  
JUST NAKED TRUTH AT THE MIRROR  
DEEP INNER SIGHT  
EMBRACE YOUR CHILD  
DARE TO REMIND  
WHERE LIE THE WIDE LOST HORIZONS  
TRY

Still awake I can be  
At the breath of the spring  
Just a soul, just one name  
Endless love, endless fate

Only hope for mind's infection  
Life's depression, moral lies  
Moral lies

ANOTHER LIFE  
BACK TO THAT TIME  
AGE OF NO LIES  
JUST NAKED TRUTH AT THE MIRROR  
DEEP INNER SIGHT  
EMBRACE YOUR CHILD  
DARE TO REMIND  
WHERE LIE THE WIDE LOST HORIZONS  
TRY
