

Luca Turilli's Dreamquest, Dreamquest

Purple winter night
Veiled my darkened soul
While my tired eyes
Close at evening's call

Golden river flow
Cross the land of fate
There where lies the stair
And angels' marble gate

FROM THE WIDE MAGIC REIGN OF A THOUSAND GATES
WHERE ARE HIDDEN CRYSTAL SECRET SKIES
WHERE MY DREAMQUEST ENDS WHERE RAINBOWS SHINE
THERE WHERE MY SOUL FLIES

Once beyond the gate
I can not describe
What my mind could see
Through celestial eyes

All that I'd been searching
Finally was found
Only dreams could tell me
There's a reason why

Ancient wisdom
Sacred courage, fly

FROM THE WIDE MAGIC REIGN OF A THOUSAND GATES
WHERE ARE HIDDEN CRYSTAL SECRET SKIES
WHERE MY DREAMQUEST ENDS WHERE RAINBOWS SHINE
THERE WHERE MY SOUL FLIES

Feel the wind and steal the air
Breath in!
Live your dream with your soul's eyes
You're free!

Let the mystic sunshine
Fly beyond the borders
Enter your mind's depth
To expand your conscience
So the tired minds can rise again

Holy moonlight
Calm my heart now, rise

FROM THE WIDE MAGIC REIGN OF A THOUSAND GATES
WHERE ARE HIDDEN CRYSTAL SECRET SKIES
WHERE MY DREAMQUEST ENDS WHERE RAINBOWS SHINE
THERE WHERE MY SOUL FLIES
