

# Lucas Grabeel, Go The Distance

I have often dreamed  
Of a far-off place  
Where a hero's welcome  
Will be waiting for me  
Where the crowds will cheer  
When they see my face  
And a voice keeps saying  
This is where I'm meant to be

I'll be there someday  
I can go the distance  
I will find my way  
If I can be strong  
I know ev'ry mild  
Will be worth my while  
When I go the distance  
I'll be right where i belong

Down an unkown road  
To inbrace my fate  
Though the road may wonder  
It will lead me to you  
And a 1000 years  
Would be worth the wait  
It may take a lifetime  
But somehow i'll see it through  
And i wont look back  
I can go the distance

I will stay on track  
No I wont acept defeat  
Its an up hill slope  
But I wont lose hope  
Til I go the distance  
And my journey is complete

But to look beyond the glory  
Is the hardest part  
For a hero's strength is measured by his heart  
Like a shooting star  
I can go the distance  
I will search the world  
I will face its arms  
I dont care how far  
I can go the distance  
Till I find my hero's welcome  
Waiting in your arms

I will search the world  
I will face its arms  
Till I find my hero's welcome  
Waiting in your arms
