

Lucero, Hello Sadness

I knew it was bound to catch me again
Well hello sadness, my old friend
Well it's been a while, but now I see
You're back in style
Sit down and rest, I ain't goin' nowhere
I feel the pain, like a shot from a gun
Feel it deep in my gut, I'm done trying to run
Givin' in, givin' up
I'm tired of the fight
Well, you got me cornered
I know it ain't right
I'll surrender tomorrow if I live through the night
