Lucero, The Weight Of Guilt

You're gonna sink wearing that heart of gold You're holding fast son you better let it go The weight of guilt son's gonna drag you down You better let it go else you're gonna drown A heavy cross'll make a brighter crown You carried the burden now just set it down The weight of guilt and a tired soul Too great a weight to carry on your own If you can't bear no crosses you can't wear no crown
