

Luciano Pavarotti & Elton John, Live Like Horses

I can't control this flesh and blood

That's wrapped around my bones

It moves beneath me like a river

Into the great unknown

I stepped onto the moving stairs

Before I could tie my shoes

Pried a harp out the fingers of a renegade

Who lived and died the blues

La promessa non fu chiara

S'erra solo impressa in me

Vidi solo il gelo dentro me

Quella notte dise a me

Vivrem comme cavalli

Liberi dai recinti di ferro

Che piu non voglio

Rinnegare i sensi

Su dai fuggiam

Vivrem comme cavalli

We're the victims of the heartbreak

That kept us short of breath

Trapped above these bloodless streets

Without a safety net

I stood in line to join the trial

One more customer of fate

Claimed a spoke in the wheel of the wagon train

On the road to the golden gate

Nel deserto la nave abbandonai

Per me aveva senso

Son stato troppo tempo nella bestia

Ed ora saro libero

Someday We'll live like horses

Free reign from your old iron fences

There's more ways than one to regain your senses

Break out the stalls and we'll live like horses

Someday

Liberi dai ricenti di ferro

Che piu non voglio

Rinnegare i sensi

Su dai fuggiam

Vivrem comme cavalli
