

# Lucky 7, Derail

Another time  
You'll be the one  
Testing me and manipulating me  
Another time  
You've gone too far  
Now it's too hard to  
Break this grip on me  
But not this time  
Make believe  
There's nothing more  
That I live for because  
It's all been said before  
Make believe  
That you still cared  
Now you're real scared  
Because I'm walking out the door  
But not this time  
My conscience freed  
The only one you could lead  
Not this time  
Not for me  
Because you and  
I weren't meant to be  
Two seeds that won't bare life  
So I turn and walk away  
Heading towards a lone dim light  
And now I find myself  
Where I was yesterday
