Why is it
That every time I meet a girl
She's in love
With someone else
And why is it
That my life's left here in a whirl
When she is out
With someone new
And why is it
I care about
Every word you say
And then yesterday
You said we were through
And why is it
I think about you all the time
You're always on my mind
Coz It won't be long
But I'm sure that it's right
Right for you
And today I'll be okay
Coz It's just the price
I have to pay for you
And When you come around
I think of our song
It makes a difference to me
Coz every time you hang up
It's a feeling, like a break up
You take a piece of me
