

# Lucky 7, It's Been Fun

Well it's been real  
And it's been fun  
You've been real kind  
I recall  
But we wonder  
Why you took the fall  
You stupid fuck  
So no more words  
And no more lies  
Because we put our faith in you  
And all you had to show  
Was that you never cared at all  
About our lives  
So no more words  
And no more lies  
It's been fun  
Well thank God for suicide
