

Lucky 7, Waiting

i noticed/ that you leavin
tomorrow/ believe in
and i know /you'll discover
a lot of things with/out each other
i cant go/ im gonna stay
and live my life/ its my way
your leaving
believing
your dreaming
and ill be waiting for you
your commin/ your goin'
you dont know/ what you wanted
i know it/ takes forever
for 2 hearts to/ come together
you cant show/ what you wanna say
you live your life/ its my way
your leaving
your leaving
your dreamin
and ill be waiting for you
and you'll be waitin for me
cuz everything i do
its so easy to see
and after all this time
you can make up your mind
im right there for you
if your there for me
