

Lucky Boys Confusion, Anything, Anything (I'll Give You)

OK so what is it tonight
At least just tell me what the hell is wrong
Do you want to eat, do you want to sleep, do you want to drown
Just settle down, settle down, settle down
I'll give you give candy, give you diamonds, give you pills

Give you anything you want, hundred dollar bills
I'll even let you watch the shows you want to see
Just marry me, marry me, marry me

I'm so sick of you tonight
You never stay awake when I get home
Is something wrong with me, something wrong with you
I really wish I knew, wish I knew, wish I knew

I'll give you candy, give you diamonds, give you pills
Give you anything you want, hundred dollar bills
I even let you watch the shows you want to see
Because you married me, married me, married me
Married me, married me, married me

When I was younger I learned this game
Where love and happiness were the same
Now I'm older and I don't play
Learned it all the hardest way
I got wasted, she got mad, called me names and she called her dad
He got crazy and oh I did too, wondered what I did to you

I'll give you candy, give you diamonds, give you pills
Give you anything you want, fuckin' hundred dollar bills
I even let you hear the songs I want to sing
I'll give you anything, anything, anything
anything, anything, anything (x3)
