

Lucky Boys Confusion, Do You Miss Me

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone

Do you miss me?
Do you miss
Do you miss me?
Do you miss
Do you miss me?
Do you miss
Do you miss me!

I remember the day you told me,
You wanted to find another man, yeah
Now I hear you cry every time we play Arizona stand
Now I'm standing here with 50 of my friends and a keg of killians
You're back home with Ani DeFranco tapes again

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone

Do you miss me?
Do you miss
Do you miss me?
Do you miss
Do you miss me?
Do you miss
Do you miss me!

Its half past ten and no sign of cops, the barrel's going strong
3 more beers I'm sure will make me feel like I belong
And everyone here reminds me there's no point in going home
When everything there reminds me that im still alone

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone

Do you miss me?
Do you miss me?
Do you miss me?
Do you miss me?

You got your secrets
Reasons why you said its over
It was my ticket
To never again will be really sober
I'm so divided

Holding on while cursing you
But unlike you right now
I've got nothing to prove

The radio plays our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone
The DJ will play our favorite song
It's what keeps me holding on
Baby, do you miss me?
Now that I'm gone...
