

Lucky Boys Confusion, Hey Driver

Sparks fly, I hit the ground running
Thumb in the air on the side of the road
Good work, never comes easy
Hey driver to the top of the world

Sparks fly, I hit the ground running
Thumb in the air on the side of the road
Good work, never comes easy
Hey driver to the top of the world

Threw my life over my, my shoulder with confidence
And here I come

Westbound leave the motor running
Cause I'm on the run
In this crowded world
I'll be high waiting when the last train comes

Dark skies, I feel my heels burning
False high 'til the end of the road
No doubt I've got a lot of learning
Hey Driver to the top of the world

Threw my life over my, my shoulder with confidence
And here I come

Westbound leave the motor running
Cause I'm on the run
In this crowded world
I'll be high waiting when the last train comes

Westbound leave the motor running
Cause I'm on the run
In this crowded world
I'll be high waiting when the last train comes

Hey, Hey, Hey, Hey, Hey, Hey, Hey, Hey

Sparks fly, I hit the ground running
Thumb in the air on the side of the road
Good work never comes easy
Hey driver to the top of the world

Sparks fly, I hit the ground running
Time stops at the end of the road
The big life, big deals, beginnings
Hey driver to the top of the world

Hey driver to the top of the world (8x)
