

# Lucky Dube, Ding Ding Licky Licky Licky Bong

Ding Ding Licky Licky Licky Bong  
It seems like it only happened yesterday  
now that I think about it  
tears cannot bring you joy  
but joy can bring you tears  
even though I cry today  
I will not hide it  
It is for a different reason - joy  
that is why I'll shout it out  
for the world to hear  
I say hello, hello happiness  
Oh Jah, thank you  
for another day, I say

Chorus  
Ding ding licky licky licky bong (x3)

another tear drop falls  
but I don't care  
I took a wrong turn in life before  
but I've paid my dues  
objects in the rear view mirror  
they appear closer than they are  
if you don't talk the talk  
don't walk the walk  
if you won't please, don't tease  
another lesson learned  
I'm gonna shout it out again  
hello, hello happiness  
Oh God, thank you  
for another chance  
there is no future in the past  
so shout it out...
