

Lucky Dube, I Want To Know What Love Is

I've got to take a little time
A little time to think things over
I'd better read between the lines
In case I need it when I'm older

This big mountain I must climb
Ohh feels like the world upon my shoulders
Through the crowds I see love shine
It keeps me warm as life grows colder

In my life, there's been heartache and pain
I don't know, if I can face it again
I can't stop now
I've travelled so far
To change this lonely life

Chorus:
I want to know what love is
Reggae can show me
I want to feel what love is
Reggae can show me

I'm going to take a little time
A little time to look around me
I've got nowhere left to hide
It looks like reggae has finally found me

In my life, there's been heartache and pain
I don't know, if I can face it again
Can't stop now
I've travelled so far
To change this lonely life

Chorus:
I want to know what love is
Reggae can show me
I want to feel what love is
Reggae can show me

till fade
