

# Lucky Dube, You've Got A Friend

I still believe in a little bit of magic  
Even though the world has gone crazy  
So good to know we still have a friend  
You came to me last night  
And whispered in my ear  
Told me not to worry  
About anything yeah  
You said you are still my friend  
And the feeling is mutual  
Right here  
Thabo Thabo my friend Thabo  
Thabo Thabo your friend Thabo (x2)  
Thabo Thabo our friend Thabo

I believe.....

Chorus:  
You' ve got a friend in me  
You' ve got a friend  
Don' t have to worry no more

Go! Go! Tabo (x2)

Your fears will be my fears  
Your dreams will be my dreams too  
Even your joys will be my joys too  
'Cause a friend in need  
Is a friend indeed

I love Thabo  
You love Thabo  
Thabo we love you  
Go! Go! Go! Thabo

Chorus:  
You' ve got a friend  
Don' t have to worry no more
