

Lucky Soul, Ain't Never Been Cool

I ain't never been cool,
I ain't never been cool.
Won't get in your gang, (ain't getting in, I'm)
Won't fit in your clique (not unique.)
Won't tap you on the shoulder,
Or kiss you on the cheek.
I heard you do want to, do what you want to.
Oh, but you don't though do you?

I ain't never been cool,
I ain't never been cool.
Won't get in your club, (ain't getting in, I'm)
Not quite up your street (not your scene.)
It's terribly exciting
I'm practically asleep.
I heard you say what you want, say what you want to.
Oh, but you don't though do you?
Oh, but you don't though do you?
Oh, but you don't though do you?

I ain't never been cool.

Won't get in your gang, (ain't getting in, I'm)
Won't fit in your clique (not unique.)
Won't tap you on the shoulder,
Or kiss you on the cheek.
Ooh I heard you.

Do what you want, do what you want to.
Say what you want, to who you want to.
Be what you want, be what you want to.
Love what you want, love who you want to.

Do what you want, do what you want to.
Say what you want, to who you want to.
Be who you want, be what you want to.
Do what you want, do what you want, do what

I ain't never been cool
