

# Lucky Soul, Get Outta Town!

Well if you're payin' all your dues off  
Then c'mon baby, take your shoes off  
We're goin' barefoot on the dance floor  
We're gonna show 'em what you're made of  
And shake it back

Well now that I've got your attention  
Got your body purrin' like an engine  
Got your feet beggin' for redemption  
If you've got any reservations  
Take 'em back

Well I know you've got rhythm and I know you've got soul  
But there ain't nothin' here for us baby

Gotta get outta town!  
We gotta get outta town!  
We gotta get outta town!  
We gotta get out of...

(Na na na na na na na na...)

Well if you're feelin' kinda locked down  
When you should be feelin' locked out  
Got medicine, you need it  
I'm gonna stop your heart bleedin'  
Shake it back

Nine, eight, seven, six, five, four, three  
Everything is backwards here, you know we've gotta leave

Gotta get outta town!  
We gotta get outta town!  
We gotta get outta town!  
We gotta get outta town!

(Mm mm mm mm mm mm mm mm...)

I kiss you once  
(Alright)  
I kiss you twice  
(Well that's fine)  
I kiss you three times  
(One more time)  
I kiss you four times  
Baby, you're mine, you're mine

Chasing down the last bus  
You've gotta run at it with full force  
You've got me pullin' any punches  
Oh, you know you've gotta live for somethin'  
And shake it back

Well I know you've got rhythm and I know you've got soul  
But there ain't nothin' here for us baby (Wooo!)

Gotta get outta town!  
We gotta get outta town!  
We gotta get outta town!  
We gotta get out of...

G-g-g-get outta town  
G-g-g-get outta town  
G-g-g-get outta town

G-g-g-get outta town!
