

Lucky Twice, Me and You

I swear that I'm trying
Oh, Baby I'm sorry
Just know that I'm trying
The night is an endless wait for down,
(And the days have got me shaking,)
Will I be lost forever on,
Is anybody out there,
Is anybody out there,
I miss you
Midnight crying I know that I hurt you,
That I don't deserve you,
But I keep trying,
Midnight crying I know that you blame me,
and nothing can save me but I keep trying
Hannah

I swear that I'm trying
Oh, Baby I'm sorry
Just know that I'm trying
There ain't nobody else but you,
(but I know you don't believe me)
I gave up the one thing that was true
There's nothing for me out there
There's nothing for me out there
I need you
Midnight crying I know that I hurt you,
That I don't deserve you,
But I keep trying,
Midnight crying I know that you blame me,
and nothing can save me but I keep trying
Oh, no

I swear that I'm trying
Oh, Baby I'm sorry
Just know that I'm trying
Baby every waken minute,
I'm so sorry about the pain,
I've praying you forgive me,
Over and over and over again
Midnight crying I know that I hurt you,
That I don't deserve you,
But I keep trying,
Midnight crying I know that you blame me,
and nothing can save me but I keep trying
I swear that I'm trying
Oh, Baby I'm sorry
Just know that I'm trying
