

# Lucky Twice, Speedy Gonzales

Lately you've been trying to give directions  
How I should behave and where to go  
Hey Speedy I don't believe in lectures  
There's something that you really need to know  
You Don't Rule My Life

Hey Speedy Gonzales  
You are never gonna rule my life  
(You don't rule my life)

Hey Speedy Gonzales  
You have gotta let me out of sight  
In the weekend I'll be your beauty queen  
But the rest of the time I just need to be free, ok  
Hey Speedy Gonzales

Move Along  
You don't rule my life  
Go ahead and get yourself a puppy  
Maybe it will eat out of your hand  
Hey baby the more you try to rush me  
The more I think you need to understand

You Don't Rule My Life  
Hey Speedy Gonzales  
You are never gonna rule my life  
(You don't rule my life)

Hey Speedy Gonzales  
You have gotta let me out of sight  
In the weekend I'll be your beauty queen  
But the rest of the time I just need to be free, ok  
Hey Speedy Gonzales

Move Along  
You don't rule my life  
Hey Speedy Gonzales  
Move Along, You Don't Rule My Life

Hey Speedy Gonzales  
You are never gonna rule my life  
(You don't rule my life)

Hey Speedy Gonzales  
You have gotta let me out of sight  
In the weekend I'll be your beauty queen  
But the rest of the time I just need to be free, ok  
Hey Speedy Gonzales

Move Along  
You don't rule my life
