

# Lucy Hale, Get Here

You can reach me by railway  
You can reach me train way  
You can reach me  
On an airplane  
You can reach me with your mind

You can reach me by caravan  
Cross the desert like an Arab man  
I don't care how you get here  
Just get here if you can

There are hills and mountains between us  
Oh, it's something to get over  
If I had my way  
Surely you would be closer

I need you closer  
I don't care how you get here  
Just get here if you can
