

# Lucy Hale, Have You Ever

Sometimes, it's wrong to walk away  
Though you think it's over  
Knowing, there's so much more to say  
Suddenly the moment's gone  
And all your dreams are upside down  
And you just wanna change the way the world goes round  
Tell me...

Have you ever loved and lost somebody  
Wish there was a chance to say I'm sorry  
Can't you see?  
That's the way I feel about you and me, baby  
Have you ever felt your heart was breaking  
Lookin' down the road you should be taking  
I should know  
'Cause I loved and lost  
The day I let you go

I really wanna hear you say that you know just how it feels  
To have it all and let it slip away  
Can't you see?  
Even though the moment's gone  
I'm still holding on somehow  
Wishing I could change the way the world goes round  
Tell me...

Have you ever loved and lost somebody  
Wish there was a chance to say I'm sorry (I'm sorry)  
Oooh  
That's the way I feel about you and me, baby  
Have you ever felt your heart was breaking  
Lookin' down the road you should be taking  
(I should know) I should know  
(Cause I loved and lost  
The day I let)

Yes, I loved and lost the day I let you go
