

Lucy Kaplansky, Broken Things

You can have my heart, but it isnt new.
its been used and broken and only comes in blue.
its been down a long road and it got dirty on the way,
if i give it to u, will u make it clean
and wash the pain away?

You can have my heart if you dont mind broken things
you can have my heart if you dont mind these tears
cos i heard that you make all things new
so i give these pieces all to you
if you want it you can have my heart.

so beyond repair, nothing i could do.
i tried to fix it myself but it was only worse when i got through.
then you walked right into my darkness and you speak words so sweet
you hold me like a child till my fozen tears
fall at your feet

You can have my heart.....
