

# Lucy Pearl, They Can't

there's no need to hate on us so hard  
you can't stand the fact that we're so smart  
we got the hell off the train before it ran off the track  
got up on this lucy thing and we never looked back

they can't handle us  
'cause they can't step on us  
and they can't use us up no more  
they tried to funk with us  
but they can't put a stop to us  
'cause they can't control us no more

that was such an evil game you played  
but yoru mouth wrote a check that your ass is still payin today  
'cause it blew up in your face  
and now you gotta reap what you sowed  
lies and deceit will kill your mind and eat away at your soul

they can't handle us  
'cause they can't step on us  
and they can't use us up no more  
they tried to funk with us  
but they can't put a stop to us  
'cause they can't control us no more
