

Lucy Pearl, You

I put it down for the LBC
I put it down for a place called queens
You know I represent the 2-1-3
I hold it down for the big city
I keep it gangsta for all my young g's
all the p y t's with they own car keys
I put it down for all the ladies
ladies ladies ladies
its all about you
skin it back
ali baba
lucy pearl
all of the world
we gonna dance to dis one fo' sho

I tried to look the other way
but then you'd pass me by
I saw you holding q-tips hand and girl I damn near died
the way you hold that cosmo
just fits you to a tee
but I just wish that you were sitting right next to me
I wonder what was on god's mind
the day that he made you
I know he wrote a new commandment after he was through
but everytime I see you
I find something new
but I just gotta have you
I really want you

chorus: I just gotta have you
I really want you
I just gotta have you

me and nephew snoop was eating at the serving spoon
my partner skin it back was sitting with us too
and all of a sudden your body was inside
I couldn't finish breakfast
now something just aint right
now snoop is looking like ' what the hell is wrong with you'
I said 'i know you understand you've been through a few
but this one was special - special to me
is it just my imagination
killing me

all I ever want is you
I just gotta have you
now I really want is you
you (all I really want)

I cant fake it no more
I cant take it no more
I need you in my life for sure
my wife for sure
no turning back
its on and crackin
pure satisfaction
now that's what's haps

I appropriate game
