

Lucy Street, Love On The Line

Baby let me know
What's on your mind
I just wanna know that
I'm not wasting my time
You wanna let me go
Then baby that's fine
But if you wanna give me a try
Then I put my love on the line

Hey you, little boy blue
Tell me what you wanna do
Cause I don't wanna keep guessing
And oh my, you're so fly
I think you're my kind of guy
So come on baby stop messing

Won't you give me, give me
Just give me a sign
Won't you tell me, tell me
Just tell me the time
Don't you leave me, leave me
Baby don't you leave me behind
Just tell me that you're mine

Baby let me know
What's on your mind
I just wanna know that
I'm not wasting my time
You wanna let me go
Then baby that's fine
But if you wanna give me a try
Then I put my love on the line

(Ho he, ho he, ho he, ho he)
(On the line)

Ooh boy, don't be coy
You just sit back and enjoy
Not even sky is the limit
Ooh child, love your style
I can't make it worth your while
If you just give me a minute

Won't you give me, give me
Just give me a clue
Won't you tell me, tell me
Just tell me it's true
That you love me, love me
That you feel the same way's that I do
I said it's up to you

Baby let me know
What's on your mind
I just wanna know that
I'm not wasting my time
You wanna let me go
Then baby that's fine
But if you wanna give me a try
Then I put my love on the line

Give me, give me
Just give me a sign
Won't you tell me, tell me
Just tell me the time

Don't you leave me, leave me
Baby don't you leave me behind

Baby let me know
What's on your mind
I just wanna know that
I'm not wasting my time
You wanna let me go
Then baby that's fine
But if you wanna give me a try
Then I put my love on the line

Baby let me know
What's on your mind
I just wanna know that
I'm not wasting my time
You wanna let me go
Then baby that's fine
But if you wanna give me a try
Then I put my love on the line
