Lucyfire, Baby Come On (She's A Devil Of A Wor

Don't wanna hear you talk at all Just wanna see your dress fall When the sun settles for a Tokyo day Give me one night and we'll rock it away

It's just you and me Baby come on Come on baby and set me free Oh yeah, baby come on

Don't wanna wait any second longer This bitter taste is gonna make me feel stronger I'm a roaring V8 in a rusty Chevelle Give me one night and we'll rock it to hell

It's just you and me Baby come on Come on baby and set me free Oh yeah, baby come on

She's a devil of a woman She's a devil of a woman She's a devil of a woman And that's what I like with her
