

Ludacris Feat. K-Atomic, I Do It for Hip Hop

I do it for hip hop

I do it for hip hop

[Ludacris]

Now this is what they call poetry in motion

My soul bleeds on the paper, heart screams with emotion

This my daily devotion, the verses stay deeper then the ocean

So hip hop you owe me a promotion

Yea i do a little boasting and bragging

Whats all the commotion and nagging about?

Cuz Im Still the Champ in the south

Cuz rappers get in the booth and i keep dragging them out

For they fire at these pink slips im handing them out

Cuz this is theatre of the mind

Considerate a sign of whats to come next

My moneys just fine bank filled with dumb checks

Terrorist threat flow, proceed to drop bombs like mr.pump flex

But i don't do it for the money, I do it from the heart

I do it with the beatbox, i did it from the start

I do it for the DJ's, I do it for the chart's

The fan gel flow,luda do it cuz it's art

I do it for the fans, I do it on command

I do it for the front row, I do it for the stands

I spit it for the hood, I do it for the block

It's Nine Years old, I did it for HIP HOP!

[Chorus]

I don't do it for the cars and the fancy drops

I do it for HIP HOP... I do it for HIP HOP... I do it for HIP HOP...

And I don't do it for the chains and the flashing rocks

I do it for HIP HOP... I do it for HIP HOP... I do it for HIP HOP...

[K-Atomic]

I do it for HIP HOP and never ever stop

Till I get copped, popped, or arrested and locked up

Not for the lowrider with the chrome T-Top

Not for the money that can cop any shop

Not for any Hot Mamas, But nonstop change like obama

No need for drama yo I do it for my soul

to hold and control what I can and thats the goal

To puncture a hole in the bag and leak the movement

Improvement thats the destination, provin the obligation

Chainging the population, making the situation

better now then ever, n' vow to educating

the hood to good choices and getting a place in

society with the things we facing, while they hating

We racing to like the masons all the way to the top

Cleaning up the game from the same damn thing

cats faking and acting lame just to attract fame

but lyrically we react and blast them with words not gats

we (w)rap words around them like an island on a map

[removed]As I put on my fitted cap, I think about the music

And why we do it and how we do use it

To be a nuisance to the common mind

and it's time for the whole world to see me with a blinding shine[/removed]

And I'll never flop or fake with any of them props

Cuz I don't do it for nothing other then HIP HOP!

[Chorus]

I don't do it for the cars and the fancy drops

I do it for HIP HOP... I do it for HIP HOP... I do it for HIP HOP...

And I don't do it for the chains and the flashing rocks

I do it for HIP HOP... I do it for HIP HOP... I do it for HIP HOP...
