Talking a whole bunch of shit
That I ain't trying to hear!
Get back mothafucker You don't know me like that!
(Get back mothafucker)!! You don't know me like that!!
eet eet WHOOP WHOOP!! I ain't playing around!
Make one false move I'll take ya down

(Get back mothafucker!! You don't know me like that!!)

WHOO!! S-s-so c'mon c'mon
DON'T ... get swung on, swung on
It's the knick knack paddywhack, still ride in Cadillacs
Family off the street! made my homies put the baggies back
Still stacking plaques! (yep!) still action packed! (yep!)
And dough!! I keep it flipping like acrobats!
That's why I pack a mac, that'll crack 'em back
Cause on my waist there's more Heat than the Shaq Attack
But I ain't speaking about ballin, ballin
Just thinking about brawlin till y'all start bawlin
We all in together now, birds of a feather now
Just bought a plane so we changing the weather now
So put your brakes on, caps put your capes on
Or knock off your block, get dropped and have your face flown
Cause I'll prove it! scratch off the music!
Like hey little stupid! don't make me lose it!!

See I caught 'em wit a right hook, caught 'em wit a jab
Caught 'em wit an uppercut, kicked 'em in his ass
Sent him on his way cause I ain't for that talk!
No trips to the county, I ain't for that walk!
We split like two pins at the end of a lane
We'll knock out your spotlight and put an end to your fame
Put a DTP pendant at the end of yo chain
Then put the booty of a Swisha at the end of a flame
