

Ludacris, Ludaversal Intro

Ain't nobody fuckin' with me when it come to getting lyrical
Murdering the rapper and killing beats nigga!
I'm cinematic making everybody panic
I be bustin' like a fully automatic feel the heat nigga!
We can battle in the Phantom in Atlanta the rover in Minnesota or the Arizona streets nigga
They sayin' all these offensive lines I snapback it's the quarterback sneak nigga!

One time for the sneak dissers Ol' puss ass fuckboys say my name!
Anybody coming at me know I never back down killing a rapper is my claim to fame!
You lame, and my flow is what expose in these hoes even on a nigga worst day
They say Luda don't want it no mo'
No nigger I'm as hungry as the first day
What you want how you want it you can get I'm the definition of a real g from the south side
The crime scene be the studio get the yellow tape and the chalk and I'm leaving everybody outline
I'm all about mine
Getting paid getting laid getting clothes getting hoes getting green back
Used be like everybody is a lil kid now Big Boy, Outcast like three stacks
Laying all it in the Cadillac with a red bone giving me dome my music on with the seats back
Ludacris this is album number 8 and my pockets gonna be straight, even if a nigga leak that
Timmy all up on the David Banner track with Janet Jack in the back like "Damn Luda freak that!"
Break it down like you dropping to the ground but we like the 808 in Atlanta so bring the beat back
Sample had to eat that
Couldn't control all of the leader
But put any other rapper on the track and I guarantee they'll never know how to treat that
I'm a boss I'm a king I'm a legend Imma drill it in your head till you dose off
And I just so happen to be the type of rapper that make your women want to take her clothes off
So let's get to the action, let's get to the show
I'm been getting to the Forbes list six year straight let's get to the do'
Shout out to the Luda Nation
All my fans just got live
And they waitin' for everybody to put me in the rapper category of ya top five
