

Ludacris, Obama Is Here

Yeah
Okay, Okay
Luda
Hey

I'm back on it like I just signed my record deal
Yeah the best is here
the Bentley coupe paint is drippin wet, it got sex appeal
Never shoulda hated, you never shoulda doubted him.
With a slot in the president's iPod, Obama shouted him
said I handled my biz and I'm one of his favorite rappers

Well, give luda a special pardon if I'm ever in the slammer
Better yet, put me in office. Make me your vice president
Hillary hated on you so that bitch is irrelevant
Now Jesse talking slick and apologizing for what
If you said it then you meant it how you want it have a gut
And all you other politicians tryin' ta hate on my man
Watch us win majority vote in every state on the map

You can't stop what's about to happen
we're about to make history
the first black president, it's destined and it's meant to be
The threats ain't fazing us, the nooses or the chokes
Get off your ass, black people, it's time to get out and vote
Paint the white house black and I'm sure that's got them terrified
McCain don't belong in any chair unless he's paralyzed

Yeah I said it cause Bush is mentally handicapped
Bottle up all his speeches and just throw them like candy wraps
Cause what you're talking I hear nothing even relevant
And you the worst of all 43 presidents
Get out and vote or the end will be near
The world is ready for change cause Obama is here (Yeah)
Cause Obama is here
The world is ready for change cause Obama is here
Cause Obama is here (Yeah)
Cause Obama is here
The world is ready for change cause Obama is here (Hey)
