

Ludicrist, Phat Rabbit

(Ludacris)

i be that nigga name luda
aka lova lova fuck that shit
what u wanna say one time
south side let's ride

and if u love what u do
do what u feel
and i know u gonna mock my word
i drop shit like bird and it's about the time for u ass to get served

just lay it on down, just lay it down
while we relax to the tight raps
and this fax track
that my nigga timbaland put down
