

Ludo, Love Me Dead

Love me cancerously
Like a salt-sore soaked in the sea
'High maintenance' means you're a gluttonous queen
Narcissistic and mean

Kill me romantically
Fill my soul with vomit, then ask me for a piece of gum
Bitter and dumb, you're my sugar plum

You're awful, I love you

She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften
Her body is my coffin

I know she drains me slowly
She wears me down to bones in bed
Must be the sign on my head that says
"Oh, love me dead"
Love me dead

You're a faith healer on TV
You're an office park without any trees
Corporate and cold
Gushing for gold-Leave me alone

You suck so passionately
You're a parasitic psycho filthy creature finger banging my heart
You call me up drunk
Does the fun ever start?

You're hideous, and sexy

She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften
Her body is my coffin

I know she drains me slowly
She wears me down to bones in bed
Must be the sign on my head that says
"Oh, love me dead"
Love me dead

Love me cancerously

BRA-DA-DA-DA-DA-DA!
BRA-DA-DA-DA-DA-DA!

How's your new boy?
Does he know about me?
You got the mark of the beast

You're born of a jackal! You're beautiful

She moves through moonbeams slowly
She knows just how to hold me
And when her edges soften
Her body is my coffin

I know she drains me slowly
She wears me down to bones in bed
What about the sign on my head that says

"Oh, love me dead"
Love me dead
Love me dead
Love me dead
Oh, love me dead
