

# Ludo, Please

Sun fall slowly  
On our lonely  
Goodbye bedroom  
You're my only  
My last night home is  
First night nervous  
Take me over  
Remember all this  
Till then

Please save this for me  
I'll come back for you love I promise to  
Please save this for me  
For until I return  
My love will burn  
And my heart will stay

It's gone cold now  
They'll sleep somehow  
I'll be gone by first light  
Last chance hold tight  
Until then

Please save this for me  
I'll come back for you love I promise to  
Please save this for me  
For until I return  
My love will burn  
And my heart will stay

I lie awake  
And memorize your face  
As you sleep next to me (I lie awake)  
The falling moon is calling me  
As I leave

Sun rise slowly  
The road looms lonely  
But I will not fail

Please save this for me  
I'll come back for you love I promise to  
Please save this for me  
For until I return  
My love will burn  
And my heart will stay

Please save this for me  
I'll come back for you love I promise to  
Please save this for me  
For until I return  
My love will burn  
And my heart will stay

My heart will stay
