## Ludo, Please

Sun fall slowly
On our lonely
Goodbye bedroom
You're my only
My last night home is
First night nervous
Take me over
Remember all this
Till then

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return
My love will burn
And my heart will stay

It's gone cold now They'll sleep somehow I'll be gone by first light Last chance hold tight Until then

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return
My love will burn
And my heart will stay

I lie awake And memorize your face As you sleep next to me (I lie awake) The falling moon is calling me As I leave

Sun rise slowly The road looms lonely But I will not fail

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return
My love will burn
And my heart will stay

Please save this for me
I'll come back for you love I promise to
Please save this for me
For until I return
My love will burn
And my heart will stay

My heart will stay
