

# Luis Rios AKA El Rey, Ching Chang Chong

Ching-Yo Chingo and Bling With My Ring  
Chang-Like Jackie Chan on his California ranch  
Chong-Take your ass back to Rome

Let me show you how to break  
and show you how to dance  
niggaz try to show off  
but instead they look wacked  
nigga pull up your pants  
nobody wanna see your ass  
if you think you can  
you really cant  
cause i see them boys in da hall  
breakdancing and breaking you all  
Niggaz gettin crunk  
but still them Asian pullin stunts  
breaking all yall niggaz words  
cause nigga "you got served";

Chingo como Rios  
Chango come Platano  
Chongo en mi Pelo porque esto es de serio

Ching Chang and Chong  
all outside my damn door  
and FKB waitin to break them boys  
they got those skills so chose one choice

number 1 do you want to get embarressed  
number 2 do you want to get famous  
number 3 do you want to cry to your parents  
cause breakdancing is not for the weak  
its for the strong that practice every week  
and youll be dazed if you smoke up that weed  
so dont do wrong just take a book and read

Breakdancing requires skills  
so dont do any windmills  
dont try this at home  
cause nigga im so throw  
if you break yo neck  
you gonna blame your own  
cause that is your fault  
never forget your goal  
check out this whole flow  
it was made in Mexico

Things-You gotta achieve in the streets  
Thang-You gotta workout and not forget  
Thong-should of though about in your brain

Yeah, representin da breakdancas at dat dirty 13
