

Luis Rios AKA El Rey, My Goal And Wish

My dream

My wish

to become filthy rich
to become boxing champ of this whole damn ring
cause i can rhyme and sing
either way you no match for me
i even bust da referee
for trying to be make me bleed
so i bust him to his knees
he was begging me to leave
so i bust him on his mouth cheek
then he fell down straight from his feet
he was blacked out and dazed
they told me to stop and cooperate
but either way i didnt accept his face
when i see him again

hell be knocked down dead
cause nigga i dont play
dont play no more games
i dont play no arcade
i just sippin on drinks
its water what did you think
beer not from him
cause Luis dont do those things
