

# Luka Bloom, I Believe In You

Every string makes its own tune  
The oak tree stands in its own shadow  
I'm alone now  
But not without you

Every bird flies its own path  
The road goes to its destination  
I'm alone now  
But not without you

I believe  
I believe in you  
I believe  
I believe in you

Every river has its own spring  
The day goes to its own sunset  
I'm alone now  
But not without you

What a heart has given  
Is always there  
It's a gift to call upon  
Anytime anywhere

I believe  
I believe in you  
I believe  
I believe in you

Your life's dance  
Moves you  
Your life's hand  
Holds you  
And my heart still loves you  
As much as it can do
